HOW IT WORKS:

We are the nation's leading school holiday shoppe provider. Our shoppe is a place where students can experience the joy of giving. Not only is it a lesson in generosity, but also teaches students how to budget and handle money. Students can shop in secret to surprise their family on that special holiday! You schedule the volunteers, we will take care of the rest!

Did you know? 80% of items are under \$5!

CASH REGISTER APP

We've developed the most user-friendly app to make life easy on you and your volunteers during the holiday shoppe!

- No cash register needed
- Accept cash, gift Cards and IOUs
- Process returns inside the app with ease
- Choose and adjust profit prior to your sale
- Detailed reports that track everything you might need
- Add your own items
- Detailed history documenting all changes made in app

GIFT CARDS

Don't want students coming to school with cash? Tell your parents to be safe and pre-purchase a gift card for their student(s) before the holiday shoppe opens! Gift cards can be purchased at **PolarPalsGiftShop.com** up to 4 weeks in advance of the holiday shoppe. We provide every program with a unique code that ties the gift card to each student and school. Students can print out their gift card OR a volunteer can easily look up the student within the cash register app. EASY!

THE GIVING SPIRIT

At checkout, we'll give parents the chance to support other students that may not have the means to shop on their own. The school will decide how to use these funds.
